

► Series ALLIFT SU

Three-Screw pump for lifting system

► Pumped Liquid

Hydraulic oils, synthetic hydraulic liquids, native oils, lubricating oils

► Main Fields Of Application

For generation of pressure in oil-hydraulic systems, lubricating oil supplying, general industrial technologies

► Performance Data

Capacity	Q	up to	820	l/min
Inlet pressure	ps	up to	--	bar
Discharge pressure	pd	up to	80	bar
Differential pressure	pdiff	up to	80	bar
Viscosity	v	up to	3..380	mm ² /s
Fluid temperature	t	up to	70	°C
Speed	n	up to	3600	1/min

► Construction features

Submerged design
In-tank installation
Horizontal installation
Self - priming
